English Teaching Assistant

Mulhouse, France

- One of just 10 recipients of a Fulbright grant to teach English at an underserved high school in France
- Worked with full classes of 30-35 alongside a co-teacher or taught lessons to small groups of 12-15 students on different aspects of American culture
- Organized Pop-Up Stories, a storytelling workshop focused on writing and performing personal narratives and developing the skill of creative writing at Lycée Albert Schweitzer
- Adapted quickly to constraints and formed a weekly Online English Club with interested students when COVID-19 prevented us from meeting in person

America Reads Program at the McGaw YMCA

April 2017 – April 2019

Tutor and Tutor Manager

Evanston, IL

- Tutored kids one-on-one after school, help with homework and ongoing projects (all subjects)
- Worked with other tutors and supervisors to emphasize and foster Social and Emotional Learning process
- Organized scheduling and oversee more than 20 students, tutors and parents each week as manager

Très Très Bon, France's premier food TV show

October 2017 – December 2017

Production Intern

Paris, France

- Collaborated with the production team of French TV show [Très Très Bon](#) to produce weekly half-hour episodes that reviewed the best restaurants in Paris
- Edited and produced several 15-second [teaser videos](#) for Facebook using Adobe Premiere Pro
- Globalized the show's mobile app by translating over 200 restaurant descriptions from French to English
- Improved my French and gained flexibility and a sense of responsibility during my first experience working abroad

Project SOAR Mentorship Program

October 2015 – May 2019

Mentor

Evanston, IL

- Mentored and acted as a role model for at-risk youth and families through the McGaw YMCA
- Participated in one-on-one and group activities, from exploring Chicago to playing basketball
- Provided a stable, caring relationship and support for the future

MetaMedia at the McGaw YMCA

October 2015 – January 2017

Supervisor and Social Media Coordinator

Evanston, IL

- Built relationships with middle school students, answered their questions, assisted them with science or art projects and helped keep them focused at the McGaw YMCA's STEAM-focused after-school hang out space and digital media lounge
- Started a blog for the space to show the process and thinking behind MetaMedia to attract donors
- Ran Instagram account: helped build MetaMedia's brand and attract an audience on social media
